

Strategic Solutions to Dynamic Challenges
www.atnasystems.com

CAPABILITY STATEMENT

Atna Systems is a Service-Disabled Veteran-Owned Small Business (SDVOSB) and global solutions provider. We specialize in aerospace defense, border security, logistics, procurement, engineering, and mission support services, including a diverse range of defense articles. Our advanced solutions support both U.S. and global government agencies, as well as multinational corporations operating domestically and internationally. Leveraging combined expertise and experience, our team delivers tailored, long-term, and cost-effective programs to meet the specific needs of our clients.

We take pride in recognizing, valuing, and appreciating the unique skill sets and contributions of our dedicated team members.
